

Winnie the Pooh meets Kanga and Roo

One day, Winnie the Pooh, Rabbit, and Piglet saw Roo hopping through the forest.

They did not know what it was. They were afraid. They decided to capture him.

The three animals saw Kanga and Roo that afternoon.

Kanga said "Hello all. This is my baby Roo".

Pooh said "Kanga, look at the bird in that tree!" Kanga turned to look and Rabbit grabbed Roo. Piglet hopped in Kanga's pouch and hid.

Kanga went home thinking Roo was in her pouch. It was really Piglet.

Kanga could not see well. At home she gave Piglet a bath and thought it was Roo.

Christopher Robin came and saw Piglet. He said "Where is Roo"?

Kanga finally saw that Piglet was not Roo and threw him out.

Roo had escaped from that silly bear and rabbit and had run home. Kanga and Roo were very happy and lived in the forest for a long time.
